"The lovely Arlene from the Ultimate Road Trip Recourse Ireland came to visit us at Curlywurly Glamping a while ago. She is such a lovely person and we all clicked with her. The animals loved her and of course they were loving the attention. Arlene has such a calming way about her. She took loads of photos and has shared lots of our posts and has done wonders for us in promoting our little business. 🙏"

"For anyone looking for places to stay check out her app, so much work put into making it the success it is. Whether it's hotels, Airbnbs, campsites or glamping sites, there's something for everyone."

"For anyone just looking for a stopover to have a shower or a cuppa for a small fee lots of places featured on the app (including ourselves 😊)"

Like ourselves you can promote your business with her also. She travels around Ireland in a very colourful rainbow van, so you won't miss her!! Check it out you won't regret it. Thanks Arlene for all you have done for us, we are beyond grateful."

"Absolutely wonderful app. I have recently completed a road trip around Ireland's amazing coastline, and I found this app to be an invaluable asset to have. Saved me a lot of time and stress in choosing my overnight stopovers. Highly recommend. 5★'s. Well worth the subscription fee. Keep up the good work Arlene!"

"Absolutely fantastic app and one that I have been delighted to support from day one. You get so much for £9.99 per year, not least of which is a PROPER APP! No more Google maps from other websites. The app is full of discounts and is continually updated plus new features added. I asked if there was a filter to show which car parks had height barriers.....and lo and behold within a few days it was live and operational. This is the only app you need for the Island of Ireland"

"Wonderful resource when planning to visit Ireland, thank you so much"
